Place on the cliff.

hello, my name is Vika and I would like to tell about my favorite place in the town. I love my little town - Chernyakhovsk, because it seems to me mysterious and very mysterious.

My favorite place in Chernyakhovsk this is a place in Sprinkles, where there is a cliff. My classmates and I spent the night in tents. It was in the summer, the experience was unforgettable. The boys cooked food and I and my best friend enjoyed the nature of this beautiful place. I will miss. We had fun all day, and at night we sat and warmed ourselves by the fire. Then the boys were on duty in turn, watching the fire, and my friend and I went to sleep in the tent. The nature in Chernyakhovsk is simply wonderful. This was my favorite place.

~~Castle Instertbor~~ Town square.

My favor, the place in all the market is the town square. You always can hear news and new abilities. There are also a zoo opens sometimes too. Many companies and drunk old people are very funny & specialy woman type.

There are fountains, bushes, bins, skateboards. Some thing very patriotic there. But because of that I can't recommend it to foreign tourists. Sometime, all of Russian patriotes are very dangerous for tourists. Be careful visiting Russia!

Town square.

Hello, my name is Vladislav and I would like to tell you about my favorite place in the town where I was born. Our little village-town is located at the sea coast of Baltic sea, in Kaliningrad region. The town is named after twice hero of World War 2 - Danila Cheryakhovskiy. So, like a mixed person, that I am, I can't decide between beautiful and people's place, and lonely and sad place. Some day I would like to go for a walk with my friends. Some day I would like to go for a walk in loneliness.

From all "good-for-fun" places, I prefer attractions to scream with friends or ride on a play car. Also, my favorite attraction is trampolines, just to move stress and having fun. A good to greet places are around lake, quiet and calm - perfect place to go deep in thoughts or take a nap.

People here are always being good to the tourists. Our little town is not very famous, but can be interesting too. We have monuments of the great people, parks and antique shops.

"All welcomed" - this is our traditional greeting!

Maybe, some people can say, that Russian traditions are not very "fancy", and I guess that's true. But! This is my home, and I really like all of the buildings. Now they are being "remarked" and we are not really appreciating this. I guess that's good, but with every remarked building our people are missing a bit of our history. If this will effect on migration, then we are ready! New buildings are good too, because new hospitals and schools are never bad, right. At least not churches...

## Lenina Square.

Chernyakhovsk has a wonderful place located right in the center of the city. Lenina Square is filled with many attractions. For example, here is a monument to the great revolutionary and leader - Vladimir Il'yich Lenin, whose war costume is unique. The square is really big, so much, so that holidays and festivals are often held here. Each celebration is filled with bright colours and pure emotions. Also, there is a park nearby, where my parents and I often rest during walks. Here is a monument to the commander of the Great Patriotic War times, Barclay de Tolly. The monument itself is very beautiful and attracts by attention every time I pass by. Nearby, in the area next to a large grocery store, attractions come every summer. Many children always gather there and their loud cries of joy are heard. There are still many different sights in Chernyakhovsk, but it will be difficult to tell about all of them.
